St. George:

The attached invoices cover deliveries made against our contract during the latter part of December as described below:

1) Invoice 46052 covers the delivery of the fourth unit of Item 45-1, the 19.5" diameter mirror and mount for Configuration B. This mirror and mount have been delivered to Perkin-Elmer stores at Pasadena, California. ✓

2) Invoice 46053 covers the delivery of the fourth unit of Item 28, the Scanning Periscope. This periscope has been delivered to EFM at Burbank, California. ✓

3) Invoice 46110 covers the delivery of Item 39, the prototype of the 24" f/8 lens. This lens was manufactured to the old design and because of this fact, will not be used at this time. It is now in storage at our office in Stamford. ✓
